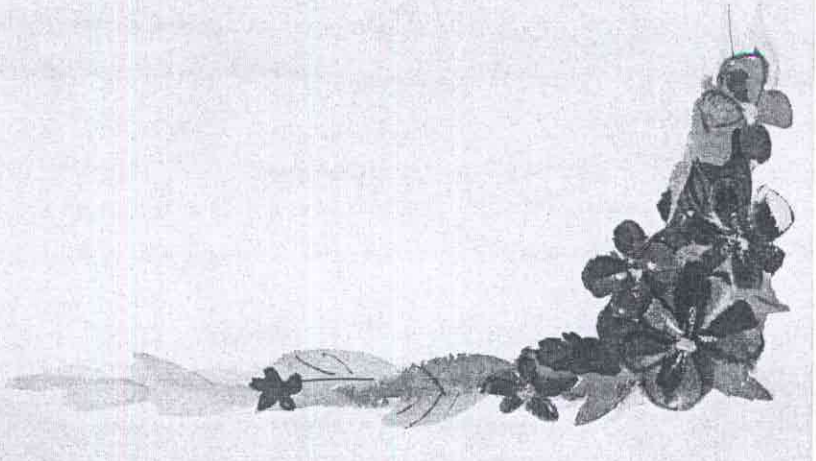
Dear Mr. Weisberg,

On April 26 of this year, I received "Whitewash II" which was my husband's birthday gift to me. It completed it last night. It was just as absorbing as "Whitewash".

Again I wish to commend you for writing it especially in view of all you've been through to let the public know that they have, indeed, been whitewashed.

Is there anything the average citizen of this country can do to show that they share your beliefs and perhaps cause another investigation of the assasination without the deceits practiced in the first? Or is it too late for that?

After reading "Whitewash" and "Whitewash II" I feel there must be something done and wish I could do something, anything, to help.

My mother has, as a Mother's Day gift to me (at my request), ordered "Whitewash III" from a bookstore in Springfield Mass. I await it with eager anticipation.


Sincerely yours,
(Mrs.) David D. Knox, Sr.
